

# Project Name: AMAZON E-COMMERCE

## Overview :

Amazon's online retail services allow businesses to sell their products on the same platform as the Amazon retailer, Amazon.com. After creating an account, businesses are able to upload their product inventory, sell their products and capture their payments online. Product lines include (books, DVDs, music CDs), apparel, baby products, consumer electronics, beauty products, gourmet food, groceries, health and kitchen items, jewellery and watches.
